

Houston Big Game Fishing Club

2021-2022 Scholarship Program

The Houston Big Game Fishing Club Scholarship Program has been established to provide financial aid to qualified students who plan to attend a Texas University or College. The Board of Directors and Scholarship Committee will award scholarships in annual amounts up to \$5,000 for the payment of tuition, campus housing or other university or college expenses. Scholarships will be awarded in such amounts and to such students as will be determined at the Club's discretion. The following criteria will be considered:

- The candidate for a scholarship must be a High School or GED graduate. Preference will be given to students who are pursuing degrees in marine sciences or conservation. The candidate must be accepted at a recognized University or College in the State of Texas and pursue a course of study leading to an undergraduate or graduate degree. The minimum enrollment requirement is 12 hours per semester.
- The personal qualifications considered by the Committee include, but are not be limited to, the following: Evidence of general aptitude and ability in the area of study; Character of the candidate; and previous academic accomplishments. The Committee will also consider the candidates relative need for the award when compared with that of other candidates.
